Reflection

Let your light shine

Our deepest fear is not that we are inadequate, but that we are powerful beyond measure.

It is our light, not our darkness, that most frightens us.

We ask ourselves, 'Who am I to be brilliant, gorgeous, talented and fabulous?'

Actually, who are you not to be?

You are a child of God.

Your playing small doesn't serve the world.

There's nothing enlightened about shrinking so that other people won't feel insecure around you.

We are born to make manifest the Glory of God that is within us.

It's not just in some of us; it's in everyone.

And as we let our own light shine,

we unconsciously give other people permission to do the same.

As we are liberated from our own fear,

our presence automatically liberates others.

(From the inaugural speech of Nelson Mandela)
