Reflection

Gratitude

*Thanks - a word that brings us alive,
for what once was can always give life.*

*Thanks - a word that keeps us humble,
for we know that we depend on others.*

*Thanks - a word that keeps us joyful,
for we know that in every day*

*there are the meetings and the memories,
the help and the support,
given and received,*

*which are the seeds of life and of growth.
May we be people who are truly grateful
to others and to God*

for what makes life worthwhile.

*Remember this day,
remember last week,
remember all times,
and be grateful!*
