## Reflection

### Let your light shine

*The most important thing about each of us is our capacity for goodness.*

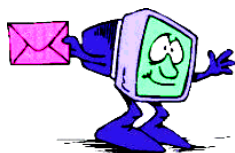

*We can be a source of light.*

*We have hands that can care, eyes that can see, ears that can hear, tongues that can speak, feet that can walk and above all hearts that can love.*

*Unfortunately, through laziness, selfishness, and cowardice, our light can be dimmed, so that we become shadows of the people we could be.*

*Lord, help us to believe in our own goodness, and to let the light of that goodness shine.*

*On seeing this light others find their way, and you will be glorified.*
