Reflection

Let your light shine

The most important thing about each of us

is our capacity for goodness.

We can be a source of light.

We have hands that can care, eyes that can see, ears that can hear, tongues that can speak, feet that can walk and above all hearts that can love.

Unfortunately, through laziness, selfishness, and cowardice, our light can be dimmed,

so that we become shadows of the people we could be.

Lord, help us to believe in our own goodness, and to let the light of that goodness shine.

On seeing this light others find their way,

and you will be glorified.
