Blessed are those who care: they will let people know they are loved. Blessed are those who are gentle: they will help people to grow as the sun helps the buds to unfold. Blessed are those who listen: they will lighten many a burden. Blessed are those who know how to let go: they will have the joy of seeing people find themselves. Blessed are those who, when nothing can be done or said, do not walk away, but remain to provide a comforting and supportive presence: they will help the sufferer to bear the unbearable. Blessed are those who recognise their own need to receive: they will be able to give all the better. And blessed are those who give without hope of return: they will give people an experience of God.</p>
