Reflection

The circle around my life

*Much of our lives is spent
in keeping people out.*

*We have private houses,
private clubs and so on.*

*Of course there are times when
we need to be alone.*

*Yet there is a sense in which our size
as human beings can be measured by the circles*

we draw to take other people in:

the smaller the circle, the smaller the person.

*A strong person isn't afraid of people
who are different.*

A wise person welcomes them.

*By shutting other people out we deny ourselves
the riches of other people's experience.*

We starve our minds, and harden our hearts.

In the beginning God gave the earth its shape.

He made it round.

He included everybody.

So should we.
