Reflection

Sow good seed

In general we reap what we sow.

We can't expect to reap good if we have sown evil.

We must sow peace if we do not want to reap conflict.

We must sow loyalty if we do not want to reap betrayal.

We must sow honesty if we do not want to reap deceit.

Even though we have no absolute guarantee that what we sow will always fall on good ground,

or that someone else may not come along

and sow contrary seed, nevertheless,

if we are careful to sow good seeds

we can, within reason, trust our expectations

because nature has shown

that if what is planted bears fruit at all,

it will yield more of itself.
